INTREPID
SEA, AIR & SPACE MUSEUM COMPLEX

Somers Senior Center Presents:
Thursday, November 10, 2016

The USS Intrepid is an important part of America's history at sea, in the air and in space. The Intrepid's role in this history spans two major wars, the space program, and rescue and recovery efforts in the days following the attacks of September 11, 2001.

Explore the 900 foot USS INTREPID. This **Aircraft Carrier** fought in WWII, served in the Cold War and the Vietnam War. See where the sailors ate and slept. Learn about the various aircraft that flew from her deck and the technologies that supported over 3,000 American lives while at sea.

Visit the Space Shuttle Pavilion and see the **Space Shuttle Enterprise**. Dynamic exhibits, audio and films will immerse you into the science of history of the space shuttle era.

Climb aboard the **Submarine Growler**, the only American guided missile submarine open to the public. Get a firsthand look at life aboard a submarine.
