Meeting Minutes**

2. Attendance

Marylou Hastings, Terri Schmidt, John Nejfelt, David Pinney, Brooke Hawkins, Maureen Corley

3. Discussion with individual residents

Several residents were present to discuss snow removal procedures. There is a degree of frustration arising from people feeling rushed to get their cars cleared and moved once they are told to proceed. When the process starts earlier in the day, it is fairly relaxed, but when the storm doesn't end until afternoon, they feel a lot of pressure to get to their cars quickly and get them out of the way of the contractors. We discussed opportunities to provide more advanced notice as well as a need to educate the contractor's employees on more realistic expectations when working with the older population.
