Monday, April 17th, 7:00 pm
Town Hall**

- A. Call to order.
- B. Members present.
- C. Audience.
- D. Approval of prior meeting minutes (11/21/2022).
- E. Correspondence.
- F. Old Business:
 - a. DEEP Bureau of Natural Resources Fisheries Division is collecting fish community and water quality samples.

“Hi, everyone,
I’m writing to inform you that our lake and pond monitoring schedule has been developed for spring 2023. We plan to get out and sample Hurds on Thursday night, 5/18. Please let me know if any of you intend to join, and I’ll do what I can to make space on the boat.
Thanks,
Matt Devine
Fisheries Biologist- Coldwater Program
Bureau of Natural Resources Fisheries Division
Connecticut Department of Energy and Environmental Protection”.
 - b. Aya Po Butterfly Meadow. Girls Scouts are doing their annual cleanup on Sunday, April 23. DPW placed a load of mulch next to the Butterfly Meadow for them to use.
