F. Old Business:

a. Learn to Fish with CARE/Boating event report.

Ann reported that this year's June Fish/Boat with DEEP event was a success. There were approximately 12 fishers/boaters. Attendance seemed to be lower than in previous years. There was a discussion about improving advertising to attract more attendees for next year's event.

b. Girl Scout Bottle Bin.

Audra Dwyer was not present, but it was noted that she installed a can/bottle recycling bin in the Aya Po parking lot. There are concerns about visitors putting trash in that bin. Suggestions were made about improving the signage to make the bin more recognizable, stating that it is for can and bottle recycling only.

c. Trail Maintenance.

Dominic stated that he cleared the North/South trail in May before the NCLT Trails Day event and that it is in good condition. Most of our trails are still in good condition, except for the Somersville trail, which needs monthly maintenance during the summer.

d. Aya Po Signage.

Todd reported that the Parking Lot Closed signage has been installed in the Aya Po Parking Lot. Each sign has a removable closing time placard, which DPW changes as dusk changes throughout the year.
