

THE WOMEN OF THE AMERICAN REVOLUTION

Monday, November 30th, 6:30 PM

at the Somers Public Library

Discover the often-overlooked contributions of women during the American Revolution in this engaging, interactive presentation. Through storytelling, historical props, and costume changes, historian Bev York brings to life the stories of women who served as soldiers and spies, cared for wounded troops, and supported the fight for independence. Learn about their courage, resourcefulness, and impact on our nation's history.
