The Somers Superintendent Search Committee invites you to participate in a Survey and Focus Groups

SEARCH consultants, working with the Somers Superintendent Search Committee, will conduct focus groups and a survey in late November to early December. The purpose is to gauge the community's perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage students, teachers, administrators, staff, parents, town officials, community organization representatives, and community members to participate.

Survey

An anonymous survey will be available at this site until December 4th:
