

Somers Cemetery Committee

Special meeting 3.14.2018

7PM Town Hall

1. Call to order: 7:18
2. Members present: Carole Pyne (chair), Casey Biega, Bonnie Kumiega, Patricia Loftus
Also present: Mike Marinaccio, John Guzie, Jay D'Aleo, Tom Forma Group / Morgan Stanley (2)
3. Reports:
 - A Treasurer: See report on file in the business office. Motion to approve the three year contract with no dumping fees offered by Guzie Landscaping. Vote: 4-0, passed.
 - B Investments: See the Morgan Stanley report filed in the business office.
 - C American Legion: No representative attending.
 - D Sexton: due to a question about the flag stakes and AL medallions being bent. It takes five to six trips with heavy equipment to open and close a grave site. It is impossible to avoid the flag markers when the ground is frozen. Straightening them at the time is the best that can be achieved. Discussion of request to receive a single grave from a family multi plot that won't be used. Family has a deed not a certificate. No resolution at this time.
 - E Sub Committee: No report.
4. Adjournment: 8:35 PM
5. Next regular meeting: May 9th, 2018 6PM

Minutes are not approved until the next regularly scheduled meeting.

Respectfully submitted,

Patricia Loftus
Committee Secretary
