

COLUMBARIUM QUESTIONS AND ANSWERS

1. Where exactly is the Columbarium being installed within the Somers Center Cemetery? A plot plan would be helpful. **See attached map for location**
2. Is the contractor responsible for excavation and backfill of the foundation? **Yes**
3. Has the soil been tested for bearing capacity and reviewed by a structural engineer? **No**
4. The scope of work does not indicate any landscaping requirements, i.e. grass, sidewalks, benches, lighting, etc. Is this your intent? **Yes, all other improvements will be decided in the future.**
5. In addition to the base price, we'd like to submit alternate adds for upgrades the Town might want to consider. Is this acceptable? **Yes**
