

## **Notice Regarding Cemetery Clean-Up**

### **METICULOUS CLEANUP AT SOMERS NEW WEST CEMETERY**

The Somers Cemetery Committee will be doing a meticulous and comprehensive cleanup of the New West Cemetery on route 190 next to the State Police building. Many of the overgrown shrubs and bushes will be removed to better maintain the grounds. The old shrubs interfere with the monuments and hide some of the stones.

Unauthorized decorations such as trellis, statues, and borders of various types will be removed and placed at the back of the cemetery for reclamation. Glass containers are never allowed in the cemetery and will be discarded. Plants put in the ground, instead of authorized planters as per regulations, will be removed.

Please cooperate with this endeavor to make the cemetery a more beautiful place. All unauthorized decorations and containers, as detailed above, must be removed by July 10, 2012.
