Re: Application #740, 50 Hangdog Lane

Dear Chairman Formeister and Members of the Commission:

I wrote to you on March 11, 2021, requesting that you have the town attorney review certain legal issues that are central to the consideration of this application. To date, I have not heard from you or the town attorney.

The public hearing on the application is scheduled to continue on April 7, 2021. Guidance on the issues raised in my letter of March 11, 2021, would be helpful to all concerned with this application.

Sincerely yours,

George Schober
