Re: Somers, CT  
Eleanor Rd.  
Soapstone Estates

\*\*\*\*\*

I have reviewed the revised plans dated 11/5/20 for the above referenced property. The plans appear to meet all the minimum requirements of the State of Connecticut and the Town of Somers regulations for subsurface sewage disposal, water supply and floodplain management and can be approved with the following:

The plan review and soil test fee of \$1450.00 must be paid prior to final approval.

Do not hesitate to call my office if you have any questions in regards to this matter.
