

December 2014

Welcome!

This is a DRAFT of the 2015 Plan of Conservation and Development (POCD) for Somers. Using the 2004 POCD as a baseline, the POCD Steering Committee reviewed and refined policies and action items to reflect the circumstances affecting Somers today and in the future.

A public informational meeting to get community comment on this DRAFT POCD is scheduled for:

Thursday February 12, 2015
7:30 PM to 9:00 PM
Auditorium @ Somers Town Hall

Following this meeting, the Steering Committee will review the comments received on the DRAFT POCD and consider additional refinements. When the POCD Steering Committee is ready, they will then forward the POCD to the Planning Commission with a recommendation for adoption. It is envisioned that the Planning Commission will schedule a public hearing on adoption for some time in the spring.

The POCD Steering Committee looks forward to your thoughts and comments on the DRAFT POCD.

Sincerely,

Greg Genlot, Chair
POCD Steering Committee
