REQUESTED CHANGE IN APPENDIX A OF VFF PENSION PLAN: BRIAN

The VFFA voted to change Appendix A, the criteria for earning a year of service, from the current, complex method to a simpler method. The method will be proposed to you at the meeting. If you agree with the change, we would send it to the pension attorney for exact, legal wording. It would then come back to you at your next meeting in October to review and make a final recommendation on to send to the Board of Selectmen for approval to amend the pension plan.
