III. Coordinator Report / Parks Report

See attached reports. The Recreation Commission is delighted to receive these reports to keep abreast of issues affecting recreation activities.

A request was made to hold a summer soccer camp. The commission agreed that the camp should be allowed but that it should be scheduled so that it does not conflict with the other soccer camps offered. This will give the kids more opportunities to participate if the camps are scheduled during different weeks.

IV. Audience

None

V. Old Business:

The Commission discussed the options for Recreation registration software. The commission agreed that the lowest cost software that has the components needed should be selected. Kaz will follow up on additional software vendors and report back.

VII. Correspondence

None.

VIII. Adjournment

The meeting adjourned at 8:30.
