

If your home was damaged by Storm Sandy, we can help.

Governor Malloy recently announced special incentives for homes that sustained damage as a result of Storm Sandy. For a limited time, save \$50 to \$750 dollars on energy-efficient electric, gas, propane and oil equipment including:

- Furnaces
- Boilers
- Hot water heaters
- Refrigerators

Low cost financing is also available. Save with these incentives now and save on your utility bills in the future.

Empowering you to make smart energy choices
