**II. SOMERSVILLE WPCF - Pilot Project**

Chairman Botellio, Steven Jacobs, Selectman Knorr and Atty. Landolina had a tele-conference meeting with DEEP Section Chief Graham Stevens and other members of his staff on 5/19/21. Although the meeting seemed progressive, the correspondence received afterwards was contradictory to what was discussed. The Authority discussed the legal status of DEEP's mishandling of our current permit application and their interpretation of state regulations which would prevent us from reverting back to chlorine disinfection.

*A motion was made by Mr. Getman to hire Atty. Janet Brooks to help represent the Authority on this project, 2nd by Mr. Colby, all in favor; motion passed.*

**III. ADJOURNMENT**

*A motion was made by Mr. Marschall to adjourn the meeting at 8:19 pm, 2nd by Mr. Folsom, all in favor; motion passed.*

Respectfully submitted,

Daniel Fraro
