

Press Release

## VISION GOVERNMENT SOLUTIONS TO CONDUCT SOMERS REVALUATION

The Appraisal Firm of Vision Government Solutions, Inc. has been hired by the Town of Somers to perform the 2020 town wide Revaluation Project as mandated by the State of Connecticut.

Over the next year, representatives from Vision will be verifying information currently on file with the Assessor's office. Vision representatives will be visiting properties that recently sold, have open building permits, have known physical changes and updating photographs of each parcel. Data mailers were sent to residents in August to verify property information.

All Vision Representatives will be wearing an identification badge and their vehicle will be registered with the police department. Homeowners are encouraged to ask for this identification prior to admitting anyone into their homes. If a homeowner has a question as to the identity of a Vision representative, they may call the police or the Assessor's Office for further confirmation.

For additional information concerning the revaluation process, contact the Assessor's Office at 860-763-8202 or 8203.
