

August 15, 2012

The Somers Fire Department is seeking proposals for the design, fabrication, test and delivery of a 6 person Fire Department Engine Tank (ET). The ET will have a 1000 gallon water tank, a 1500 gpm pump, a stainless steel body and be in compliance with the current edition of NFPA 1901.

Copies of the Request for Proposal may be obtained by contacting

Deputy Chief Frank M. Falcone, Jr.  
860-749-7626  
Dchief146@cox.net

There is no charge for an email electronic copy. There is a \$5.00 charge for a paper copy.

The bids shall be returned by 4:00 pm on September 13, 2012 in a sealed envelope marked "Fire Department Pumper Tanker Bid" to:

Town of Somers  
Town Clerk  
PO box 308  
600 Main Street  
Somers, CT 06071

The Somers Fire Department reserves the right to reject any and all bids, or to accept any bid, which would be in the best interest of the Somers Fire Department, whether or not that bid was the lowest monetary bid, and further reserves the right to waive any informalities, omissions, excess verbiage, or technical defects in the bidding or changes in the specifications which would result in better service to the Fire Department at its option.

Bidders should be an Affirmative Action / Equal Opportunity Employer. Minority/Women Business Enterprises are encouraged to Apply.
