

**TOWN OF SOMERS
REQUEST FOR PROPOSAL:
HVAC STUDY FOR THREE SOMERS SCHOOLS**

QUESTIONS # 1

When was the Mabelle Avery Middle School renovated?

The Mabelle Avery Middle School was renovated to new in 2007.

When was Somers High School built?

Somers High School was built in 1992 and had an addition in 2004.

The dates that are in the RFP, is June 2022 when the study report is due or when the design is due?

The June 2022 is the deadline for the HVAC study report however Somers would like to receive it sooner so that progress towards a design report can be completed during the summer of 2022.

Is Somers looking for a fee proposal for the study and design or just the study with this RFP?

Somers has requested that the cost of the HVAC study be proposed based on this RFP. Please see Addendum # 1 for clarification.
