

Town of Somers Mill Pond Fishing Dock Repair Request for Bids

Project location:

55 School Street, Somers, CT 06071

Project Contact:

Todd Rolland, 600 Main Street, Somers, CT 06071, trolland@somersct.gov, (860)763-8238

Project Description: Repairs to the Mill Pond Fish Dock. The ramp framing, all deck boards, and horizontal railing members shall be replaced.

Scope of Work:

1. Provide dumpsters and all disposal fees.
2. Remove the existing decking, horizontal railing members, and ramp framing.
3. Replace the existing ramp framing with pressure-treated lumber and install new 2"x 6" pressure-treated decking.
4. Install new 2"x 6" pressure-treated decking over the existing framing of the deck.
5. Install new 2"x 6" pressure-treated railing, re-using the existing 4"x4" posts.
6. Coat all surfaces with clear wood sealer for decks.
7. The winning bidder shall furnish all labor, equipment, and materials.

Bids are Due Wednesday, November 20, 2024. All bids shall be submitted electronically to Todd Rolland at trolland@somersct.gov.

The winning bidder must be appropriately licensed and insured. Somers insurance requirements are as follows:
