

**Somers Department of Public Works
Summer 2009 Road Resurfacing Program**

The Town of Somers Department of Public Works has announced that the following roads are scheduled to be resurfaced by chip sealing beginning Thursday, August 20, 2009 through Friday, September 4, 2009, weather permitting:

Billings Road (West End)
Concord Terrace
Evergreen Drive
Goodwin Drive
Lindell Drive
Louise Street
Mountain Road
Patsun Road
Rosehaven Road
Salem Drive
Transfer Station
Wells Road
Wood Road (lower ½)

The chip sealing process utilizes a heavy oil/tar coating covered by loose stone. All residents are requested to drive slowly over the loose stones and seek alternate routes where possible. Questions regarding the project should be directed to the Public Works Department at 763-8234.
