

Can We Talk?

A Community Event to Discuss Substance Abuse Prevention

Somers Comes Together (SCT) would like to extend an invitation to the community to learn how to handle difficult conversations around the topic of substance abuse prevention and treatment.

Tuesday, May 15, 2018

Somers Town Hall, 600 Main Street, Somers

Should a second budget referendum be required and the Somers Town Hall be unavailable due to voting, this event will be moved to the Somers Senior Center at 19 Battle Street.

Hidden in Plain Sight

Kelly Fisher will present "Hidden in Plain Sight", a demonstration which creates a mock bedroom modeled after a teenager's room. The mock bedroom provides insight into where drugs could potentially be hidden, often in plain sight.

Drug Take Back Station

Somers Police will be on site to accept all unused or unwanted prescriptions. Safely disposing of medications is just one of the many ways we can work together to combat substance use.

Resource Fair

- ERASE - East of the River Action for Substance Abuse Elimination
- CHR- Community Health Resources
- SMART Recovery
- Learn to Cope
- Today I Matter

Complimentary Childcare

The Somers Recreation Department will provide pizza and supervised activities free of charge for children of parents/caregivers who wish to attend this event. To register a child, please email Chris Boucher at CBoucher@somersct.gov or call 860.265.3840.
