Covered Bridges (or "Kissing Bridges") are practically a trademark of New England life. They can reflect the town that they reside in, the artist or architect that designed them or the period in which they were built. Grab your camera and come explore several of them with us on a **Guided Driving Tour of Covered Bridges** in Southern New Hampshire with our local guide.

We complete our day at **Cameron's Winery** in Northfield, MA for a tasting of 5 wines. The owners are passionate about their winery and provide a memorable experience for their visitors. Shop for great jams & jellies as well in this cozy New England winery.
