Documentation will be required of newly established clients.

Utility Assistance

Connecticut's Public Utilities Regulatory Authority (PURA) has ordered a moratorium on all utility shut-offs (electric, gas, and water) for the next 30 days, or as long as the Public Health and Civil Preparedness

Emergency is in effect. Residential customers are strongly encouraged to continue paying their bills, as they will ultimately be responsible for accrued services. This ruling applies to all residential customers and is therefore unlike the Winter Protection Program where income eligible households are protected from a shut off through May 1.
