

Town of Somers

‘Be Prepared To Be Safe’

The Town of Somers staff is finalizing preparations for the impending snowstorm.

The storm will be accompanied by heavy winds. As a result, power outages may be unavoidable. In the event of an outage, Connecticut Light & Power is requesting you call 1.800.286.2000, or report the outage on your mobile device or home computer via <https://www.clp.com> CL&P requests that you report an outage even if you think your neighbors may have already reported it.

Governor Malloy is encouraging residents to be prepared and take all necessary precautions for a significant snowstorm that will impact the state Monday evening through Tuesday. A travel ban has been issued for the state beginning at 9:00 pm. Additional information is available from the governor's website at the following address: <http://www.governor.ct.gov/malloy/site/default.asp>

Your safety is paramount and we encourage you to keep off the roads during the storm. A Parking Ban has been initiated beginning at 6:00 pm this evening. The best place to be is at home during a blizzard. Please shelter in place during the heavy snowfall which is expected through the overnight hours.

The Connecticut Water Company and its operations and customer service department personnel have begun all necessary preparation for the snow storm. If water service should be impacted during the storm, please call our 24-hour customer service number at 1.800.286.5700 or our website at the following address: <http://ctwater.com>

Please be assured that the Town has adequately prepared for the storm and will be out in full force clearing roadways. Due to the amount of snow anticipated, we expect it will take some time to clear everything completely. We ask that you observe the Parking Ban which has been placed into effect beginning at 6:00 pm, January 26th until further notice.

In the meantime, please continue to monitor our Town of Somers website: www.somersct.gov and sign up for the Town's Facebook Page. Please share this pertinent information with your neighbors and friends.
