Why Preventive Care?

- ✓ Preventive Care will help your pet live a longer, healthier life.
- ✓ Vaccinations prevent common diseases that can be fatal.
- ✓ It is far less expensive to prevent disease than try to treat it.
- ✓ Many pet diseases and parasites can be transmitted to your family.

Affordable Pet Vaccinations & Preventive Care Packages

Individual vaccines & services available -

HomeAgain
A lost pet's best chance

*Proof of prior Rabies vaccination required for a 3 year Rabies vaccination for either dog or cat. The veterinarian may deem a pet medically ineligible for any or all products, vaccines, vaccine packages or other services. Dogs under 15 pounds, and dogs and cats over 10 years will require more than one visit to complete their package. Prices shown don't include cost of boosters. There is a \$3.00 medical waste fee per pet.
