

February 28, 2014

The Somers Fire Department is seeking proposals for the design, fabrication, test and delivery of a Fire Department 3000 gallon tanker. The tanker will be an “elliptical tank” configuration with stainless steel compartments. It will have a 1250 gpm pump and be in compliance with the current edition of NFPA 1901.

Copies of the Request for Proposal may be obtained by contacting:

Town of Somers  
Town Clerk  
[alogan@somersct.gov](mailto:alogan@somersct.gov)

There is no charge for an email electronic copy. There is a \$5.00 charge for a paper copy. Checks are to be made out to the Town of Somers.

The deadline has been extended. The bids shall be returned by 4:00 pm on March 13, 2014 in a sealed envelope marked “Fire Department Tanker Bid” to:

Town of Somers  
Town Clerk  
PO box 308  
600 Main Street  
Somers, CT 06071

The Somers Fire Department reserves the right to reject any and all bids, or to accept any bid, which would be in the best interest of the Somers Fire Department, whether or not that bid was the lowest monetary bid, and further reserves the right to waive any informalities, omissions, excess verbiage, or technical defects in the bidding or changes in the specifications which would result in better service to the Fire Department at its option.

Bidders should be an Affirmative Action / Equal Opportunity Employer. Minority / Women Business Enterprises are encouraged to apply.
