

Disc golf course opens at Field Road Park

SOMERS — The town's new disc golf course at Field Road Park officially opened on Dec. 3.

The Hartford Greater Together Community Fund at the Hartford Foundation for Public Giving provided the funding to make the course possible.

The town's Department of Public Works Parks Staff installed the course, based on work by Sherry and Sven of Goldy Disc Course Designers, who used their expertise designing the course and maps and setting the course up for play.

Merrick with The 19th Basket Disc Golf Shop and many volunteers were on hand to help out at an opening event.

The course is expected to host many tournaments in the future.

Mike Tillotson prepares to let go with a shot at the new disc golf course at Field Road Park in Somers.

DG Graphics wins town award

The second town business to be named "Business of the Month" was DG Graphics on Springfield Road. The recognition was highlighted by the presentation of a plaque by Somers First Selectman Tim Keeney to Sean Cooney, operations and design director, at a town hall ceremony. DG Graphics was nominated by the Veterans Service Office. Patrons from any community can nominate a Somers business for the award based on such criteria as exemplary customer service, innovative product or services, professional staff development, donating money to a town project, sponsoring a youth project, or longevity in business. Sponsored by the Economic Development Commission, the award is presented monthly.
